

The Priest's House

Easton on the Hill

2018 Summer Exhibition

This year there are two exhibitions

RAF 100 1918-2018

To celebrate the founding of the RAF 100 years ago this exhibition describes life in the RFC and the RAF in the earliest days of flying.

It also remembers the airmen from Easton who lost their lives, showing how they met their fate and how the village was involved with its two nearby airfields now amalgamated to become RAF Wittering.

THE TOUR DE SANDS BIKE RELAY AN HISTORIC 1,600 MILE JOURNEY

In 2017 around 100 riders took part in the Tour de Sands bike relay from Easton to Elviria in Spain. Over £90,000 was raised in memory of Sandra "Sands" Watson, who died of cancer in 2016. The displays provide a pictorial record of the journey and show plans that the beneficiaries of the appeal – the St Barnabas Lincolnshire Hospice and the Lymphoedema Support Network – have for using the funds.
